### STATUS OF THE VILLAGE OF WAUSAUKEE'S PLANNING GRANT

The Wausaukee Village Board will conduct a public hearing to update residents on the status of the Community Development Block Grant [CDBG] the Village received from the Wisconsin Department of Administration. The grant of \$9,100, matched with \$5,000 of Village funds, is funding a feasibility study on repurposing the former Stephenson National Bank and Trust building at 704 Main Street into a community center that will include an expanded library, a senior citizen center and space for Village offices. The results of the feasibility study will guide Village officials in deciding whether to pursue negotiations in taking possession of the building.

The agenda for the public hearing is:

1. Current status of the feasibility study
2. Report on the meeting inviting the public to tour the building and provide input
3. Remaining steps for the feasibility study
4. Questions and answers
5. Adjourn

Residents of the Village of Wausaukee are encouraged to attend, especially residents with low to moderate incomes.

The meeting room is handicapped accessible. Persons needing additional accommodations should contact the Village Clerk/Treasurer via telephone at [715] 856-5341 or via email:
