Traditionally, the Fireworks display in the Village of Wausaukee has been solely sponsored by individual donations, business contributions, and budgeted funds from the Village and Town of Wausaukee. In these unprecedented times, we understand the financial strain suffered by our local businesses and residents and recognize that many may not be able to give as generously as they have in the past. We need your help to ensure that we can still provide an amazing display that everyone can enjoy with their friends and family on Independence Day. While we may not be able to celebrate together in our usual way, we CAN still enjoy an amazing display while practicing safe social distancing. We need your support now more than ever to continue this wonderful tradition! Every contribution, no matter how big or small, is incredibly appreciated! *\*If we are unable to have a fireworks display this year due to COVID-19, donations received will be placed in a designated fund to be used in 2021.*

As in previous years, we have the same fireworks company & pyro-technicians that have launched such a fantastic fireworks display that were enjoyed by so many! We thank the Wausaukee Volunteer Fire Department who is always on site to provide emergency help if needed.

**Please keep in mind that even after the fireworks go off we accept donations ALL YEAR LONG! IT IS NEVER TOO LATE TO DONATE!!**

**PLEASE MAIL YOUR DONATION NOW! ☺ THANK YOU!**
